Android Shortcuts

HOW TO MAKE YOUR ANDROID PHONE READ TEXT ALOUD

Here is how to do it:

1. Open the 'Settings' app on your android device.
2. When the settings app opens, scroll down and tap on the 'System settings'.
3. On the system settings, tap on 'Accessibility'.
4. Under the accessibility options, switch to the 'Vision' tab and tap on the 'Select to Speak'.
5. On the 'Select to Speak' screen, enable the shortcut for the function.
6. Now, you will see a new 'Select to Speak' shortcut on the bottom right corner of the screen.
7. To use the 'Select to Speak' function, open the webpage you want to read on your phone, and tap on the 'Select to Speak' shortcut.
