

Canva Pro Tips

Bulk create

This tool allows you to create bulk tiles for socials with a few easy steps.

- Step 1** Go to canva.com and click on docs.
- Step 2** Hit the + button and select Magic write from the drop down.
- Step 3** Now type in the bulk creation you would like "10 quotes about flowers", "20 self care quotes" or something else & click generate.
- Step 4** Select all of these quotes and copy them.
- Step 5** Go back to your home screen and search "instagram story quotes" choose a template that suits your purpose and brand. Now customise the template with your branding. Select a text box and title it with a short title.

Bulk create, continued

- Step 6** In the “apps” program (down the left hand side) either click “bulk create” or search “bulk create” and select.
- Step 7** Select “generate manually” give the column the same title you used on your story.
- Step 8** Select continue and and you now have as many generated pages of content you selected.
