

PASSWORD PHRASE

We all get told time and time again not to use passwords like our birth dates or the same password for all our log ins.

It's hard to remember all these passwords,

but HERE IS A TIP!

Instead of using a password like g^hBzz38!
Think about a song or poem you love such as the lyrics to "you
can't always get what you want" could create the password
ycagwyw

Remember be careful and vigilant online.

**Always look to up-skill and learn
in the digital space.**

Don't be frightened, be informed.
